

## Close Your Eyes

Close your eyes, my little one,  
The owl says it's the night,  
Comets burn a dark blue dome,  
with tails of fiery light.

Close your eyes, my little one  
sleep till the break of day,  
Listen the stars are ringing,  
Fruit bats are out to play.

Close your eyes, my little one,  
And dream a little dream,  
Of jewelled fishes gliding,  
Along a golden stream.

Close your eyes, my little one  
And when you awake with the light,  
I'll still be there beside you,  
All we'll play till the edge of night.

Close your eyes, my little one  
I cannot sing any more,  
I am hungry and tired and thirsty,  
And I'll sleep by your side on the floor.
