# The Teddy Bear Picnic

Dixcy Bear and Johnny Bear decided to take Snow Bear for a picnic. It was Snow Bear's first picnic ever. He was thrilled to be going to the lakeside with his parents.

That morning, Dixcy Bear got out her picnic basket. She filled it with sandwiches, apple juice, and some cookies. Johnny Bear packed the paper plates, spoons, glasses, napkins, and a bottle of water. They also rolled up a mat so that Snow Bear could carry it to the picnic spot.

The bear family sang songs as they walked through the forest with their picnic basket. When that arrived at the lake

they rolled out the mat. Dixcy Bear and Johnny Bear laid out the food on the mat and the bear family had a hearty lunch.

They all took a nap and when they

awoke, Dixcy bear had a special surprise for Snow Bear. She pulled out Snow Bear's favourite dessert - HONEY!
